

WELCOME TO CATALYST

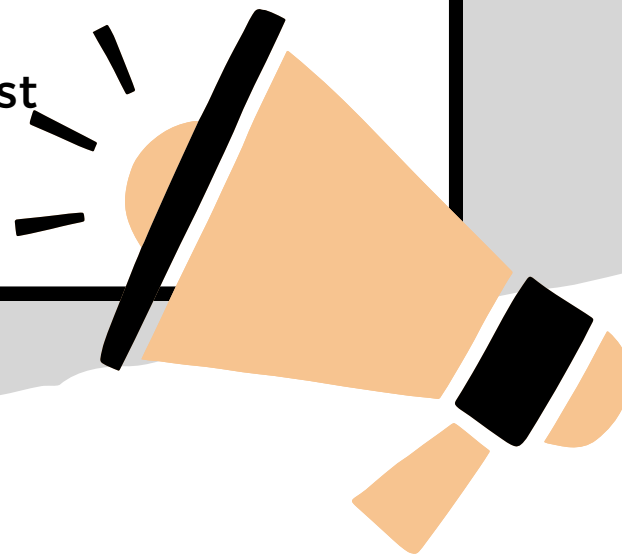

Catalyst means a person or event that quickly causes Change or action

To be a catalyst you must act effectively on things you believe in to change the world to an enjoyable place to live in.

As a group we will learn and grow together to achieve our goals and our aims that will help us become more confident.

Everyone who is part of our group, catalyst, act extremely passionate and enthusiastically with their thoughts and ideas, we all enjoy to participate in exciting activities and welcome anybody who is new.
